## Creation of a financial Plan

Once a sound insurance program is in place and financial safety net is determined, surplus from the cash budget can be available for achievement of financial goals:

Wealth Accumulation planning: Saving and Investment

- Saving for short term: bank or CD or liquid investment
- Long term wealth accumulation: reallocation of existing asset allocation based on client's risk tolerance level
- Research indicated that asset allocation determine 90% of the return and 10% is determined by selection of particular investments

*"Forget about all the reasons why something may not work. You only need to find one good reason why it will." Dr. Robert Anthony*

- You will graduate into a new era. Whether you are in finance, banking, or commerce, the clients you will be in touch are elites, old hands in investment, and highbrows with stubborn viewpoints. Think about how you will persuade these people that you are professional, like in this case that you work on –
  - Macroeconomics
  - Laws and tax regulations
  - Political trend
  - Financial products
