Hong Kong Undergraduate Financial Planners of the Year Award 2019

***"Man cannot discover new oceans unless he
has the courage to lose sight of the shore."
Andre Gide***

- Think for a moment what the special areas in this case are –
 - Income
 - Education and life experience
 - Potential for growth
 - Independency

25

Hong Kong Undergraduate Financial Planners of the Year Award 2019

***"Forget about all the reasons why something
may not work. You only need to find one
good reason why it will." Dr. Robert Anthony***

- You will graduate into a new era. Whether you are in finance, banking, or commerce, the clients you will be in touch are elites, old hands in investment, and highbrows with stubborn viewpoints. Think about how you will persuade these people that you are professional, like in this case that you work on –
 - Macroeconomics
 - Laws and tax regulations
 - Political trend
 - Financial products

26

Hong Kong Undergraduate Financial Planners of the Year Award 2019

***"Imagination is more important than
knowledge." Albert Einstein***

- You cannot know everything, nor learn everything. At times you have to make assumptions. All the best economists and scientists do, and that is why they are the best. But don't mix up assumption is similar to pure imagination –
 - Logic
 - Reasoning
 - Research

27

Hong Kong Undergraduate Financial Planners of the Year Award 2019

***"Pleasure in the job puts perfection in the
work." Aristotle***

- Everyone has their own hobby, and each individual makes an expert in that interest out by his / her own. It is not because you want to have better score in your transcript or to please your parents, the only reason is that you LIKE it, the feel of accomplishment, the taste of real joy. Take this experience as a virtual IFP and enjoy it –
 - Structure
 - Presentation
 - Heart
